THE MEMORY

ALMA MATER

Hail to thee, our Alma Mater,
We will do the right,
In our hearts we'll hold you near us,
Hail: The Green and White

Chorus

Forward we will go and conquer
Onward to our goal,
Even though we meet with failure
Loyalty our goal.
Jakin High, we'll always love thee
Hold your colors high
In our hearts we'll cherish memories

DEDICATION

It is with much pleasure that we dedicate "The Memory" to Mrs. Elizabeth Mosely and Mr. Bobby Davis.

We are grateful for their warmth of friendship and their interest in the students of our school. It is with a deep sense of appreciation for all they mean to us that we proclaim them among the finest of America's teachers.

THE PRINCIPAL'S MESSAGE

To the Senior Class of 1959

While offering to you my congratulations for your accomplishments, I would remind you that there are far greater things for you in the future. Opportunities for a satisfying and productive life will come your way if you will allow them to do so. Many people miss life's great opportunities simply because they give too much priority to wrong things. Recently some words from the elementary school brought this folly to my attention.

I think, I think, I think in vain.

I think, I think I'll sign my name.
